WORLD FEDERATION OF TRADE UNIONS

Class oriented - uniting - democratic - modern - independent - internationalist!

Dear fellows,

The TUI of P&R of the World Federation of Trade Unions and Pensioners and Retirees from Senegal, this last one in its condition of host, invite all the P&R in their trade unions and/or the class organizations to participate in the Africa's Regional Conference of the UIS of Pensioners and Retirees, that will take place in Dakar, Senegal, in November 16th, 2016, in order to create and establish the Regional Structure of Europe of the TUI of Pensioners and Retirees (P&R) of the World Federation of Trade Unions (WFTU).

The creation of this regional structure of the UIS of P&R of the WFTU is included in the Statutes of this TUI that were approved in the foundational Congress celebrated in Barcelona (February 2014), and it shows the ascendancy of the class oriented trade unions' movement, and it emphasizes the positive direction of the WFTU and of Africa's Pensioners and Retirees.

As in every international event organized by the WFTU (the only world trade union organization that doesn't receives any funds or subsidies from any government), every participant will pay for its own trip. The lodging of one (1) delegate and the meals of this delegate for two (2) days will be provided by the hosts and by the TUI of Pensioners and Retirees. Supplementary delegates will be accepted if they pay for the cost of their lodging and meals while in Senegal. Due to the financial difficulties, we ask, from those participants who can afford it, to pay for their stay in Dakar, as a token of internationalist solidarity.

Every organization that confirms its participation will receive a schedule with the details of its participation in the Conference.

Those delegates who need a visa to enter in Senegal must inform, during the month of September 2016 as the latest, of their names and their post of responsibility in their Trade Union, so the organizers can send them the personal invitation letter from Senegal with time enough.

NB : Arrival at Dakar's airport on the 15th of November, and departure on the November 17th

You can send your requests to participate to the following email address:

Receive our fraternal salute,
